## Barber 1 (No Chemical) Candidate Briefing and Verbal Instructions

---

**At the beginning of the examination, please read the following statements:**

*“Good morning/afternoon. On behalf of \_\_\_\_\_ we would like to welcome you. As NIC certified examiners, we have been directed to read the instructions for each area of the examination. All candidates participating in the performance examination will be given the same instructions.*

*Once the examination has started, you will only be able to leave the testing area with the permission of your examiner.*

*Restrooms are located \_\_\_\_\_; drinking water is located \_\_\_\_\_. If you find it necessary to leave your work area, raise your hand and an examiner will assist you. You will need to sign out, and sign in. The examinations will continue and you will not be permitted extra time. Only one person at a time may leave, so please return as quickly as possible.*

*In the event of an emergency, the emergency exits are located \_\_\_\_\_.*

*Talking with other candidates or the examiners during the examination is strictly prohibited. Doing so will result in your dismissal from the examination and a report of your actions to the proper authorities. Your examiner has been instructed not to answer any questions concerning your examination. This ensures equal opportunity for all candidates and standardization in testing for the national practical examination. If you have an emergency situation please ask to speak with the examination coordinator.*

*During all sections of the practical examination you will be expected to follow all safety and infection control procedures. You will also be scored for proper draping and proper care and handling of implements. You are evaluated at all times.*

*You are responsible for having all the needed supplies.*

*Please take notice that the Universal Blood Spill Procedures are posted and a first aid kit is available in the event of a blood spill.*

*Please turn off all cellular phones, pagers, and electronic devices while in the examination room.*

*You will be given 10 minutes for client protection and to set-up the general supplies that you will use throughout your examination. For safety reasons please place kits and all supplies underneath your work area. Before each section of your examination you will have 2 minutes to remove the supplies from your kit in preparation for the next section of your examination. Please only remove your supplies from your kit during the 2-minute time frame. Do not begin any procedures until the verbal instructions have been read for each section of the examination and you are instructed to begin.*

*The verbal instructions will be read twice for each section of the examination. Each examination section has a maximum time allowance. Once you have completed all tasks in the section please step back to indicate that you are finished. In the event that all candidates complete the section before the time has elapsed the examiners will proceed to the next section of the examination.”*
